Application no. 25154/08 (inadmissible)
Elmer v. Switzerland

Dear Sir,

I acknowledge receipt of your letter of 19 September 2012.

I should remind you that the European Convention on Human Rights does not contain any provision for appeal against a decision by which the European Court of Human Rights has declared an application inadmissible. The Court's decision declaring your application inadmissible is therefore final.

I should also point out that, by virtue of Article 35 § 2 (b) of the Convention, the Court could not deal with any further application submitted by you which was substantially the same as the above application and which contained no relevant new information.

Yours faithfully,

For the Registrar

D. Rietiker
Legal Secretary
